

Supporting the rehabilitative journey

Prisoners, probationers, and staff.

User-Centric Platform

Delivering communication, information and planning tools to improve outcomes for individuals in the criminal justice system.

Normalisation

Providing real-life experience and skills

In Prison

Core Pathway enables offenders to use their in-cell time productively

In The Community

Core Pathway supports offenders during their probation

Through The Gate

Core Pathway helps offenders prepare to return to the community

Responsibility

Helping to make constructive choices and decisions

Openness

Remaining open and connected to the outside world

Core Pathway can be delivered on personal or shared devices (e.g. tablets) enabling offenders to use their time constructively and enhance their digital skills. Core Pathway is a collection of flexible, personalised apps and programs that can be configured to meet the needs of the individual.

Organisation Skills

Calendar and interactive tools

Communications

Messaging, video and voice communications hub

Education

Courses and self-guided learning using multi-media content

Health & Wellbeing

Interactive, personalised and multi-media content

Entertainment

Information centre including video, music, games & podcasts

Productivity Suite

Personal resource centre to create and share documents
